

EduHack Network Workshop

July 7th, 2020

The EduHackathon (Italy)

The goal

To work on a credible project for the development of a digital tool or an innovative teaching practice digitally supported

The agenda

27 April 2020

- 10.00 – 11.00** **Introduction and ideas presentation (plenary session)**
 The organization of the two days will be briefly illustrated, and the groups will present the drafts of the five selected ideas.
- 11.00 – 13.00** **Group work (first session)**
 Each group will start working on the development of its project idea, within its own dedicated virtual classroom.
- 13.00 – 14.00** **Break**
 Lunch
- 14.00 – 16.00** **Group work (second session)**
 Each group will continue working on the development of its project idea, within its own dedicated virtual classroom.
- 16.00 – 17.00** **Comments & feedback (plenary session)**
 Ongoing comparison of the work done and collection of comments and feedback for the final elaboration of the project ideas.

28 April 2020

- 10.00 – 13.00** **Group work (free session)**
 The virtual classrooms of each group will remain open, available to anyone wishing to meet to finish the job.
- 15.00 – 16.00** **Final presentation of the project ideas (plenary session)**
 Final presentation of the project ideas, as a result of the collaborative work.
